

CLIMATE SOLUTIONS PRIZE **Tour**

UAE Itinerary Highlights

Private Welcome Dinner & Networking

- Hear from and meet key political and business figures working on climate in the UAE, in an exclusive and memorable setting

Meet the Climate Changemakers of Dubai

- Meet investors, policymakers, NGOs and tech entrepreneurs moving the needle on climate in Dubai and the Gulf - and hear from them about regional partnerships involving Israel and the UAE

Experience the Future of Climate Action

- Tour the Museum of the Future & the Robotics Exhibit of the Dubai Future Foundation. Discover how AI is supercharging climate action in the UAE

Gain Perspective from the Summit of the Burj Khalifa

- Take in Dubai from above as the sun sets

Sovereign Wealth Powering Innovation

- Hear about the approach and investments of the UAE's Sovereign Wealth Fund on climate, from renewable energy to alternative foods

Faith and Tolerance in Abu Dhabi

- Tour the magnificent Sheikh Zayed Grand Mosque, and the inspirational Abrahamic Family House, a center of religion for Muslims, Jews and Christians

A Unique Shabbat Experience

- Have a Friday Night Dinner like no other, together with members of the Jewish community working on climate investments and technologies

Explore Dubai

- Delve into the historical Basyakiya quarter, and visit the vibrant textile market. Cross the Dubai Creek on a traditional Abra. Immerse yourself in the sensory experiences of the Gold and Spice Markets. Visit the world-famous Dubai Frame

CLIMATE SOLUTIONS PRIZE **Tour**

Day 1 (Sunday Sept 14) - Welcome, Tel Aviv

Behind the scenes tour of the Peres Center for Peace & Innovation

- Experience the Peres Center for Peace & Innovation like never before where you will gain insight into some of Israel's top scientific breakthroughs and have the opportunity to sit behind the desk where Shimon Peres made history.

Tel Aviv Innovation

- Meet & hear from some of Tel Aviv's innovators leading the Startup Nation's breakthroughs in helping solve the climate crisis.

Alternative Food Dinner at Home of Jeremy Collier

- Enjoy a one-of-a-kind private dinner from leading food innovators in exclusive sumptuous setting hosted by the CIO & Managing Partner, Collier Capital and the Collier Foundation.

Day 2 (Monday Sept 15) - Innovation in Israel's North

Visit Grow-tec

- See how this agri-tech innovator is delivering ultra-high yield vertical farming with patented clean room technology that delivers 10x-20x more yield with 95% less water and no pesticides.

Visit the Kinneret Innovation Center (KIC)

- Visit what may be the most advanced agro-voltaic systems in the world integrating solar, robotics, and breakthrough laser technology led by the CEO of KIC, Elad Shamir. Hear pitches from some of best and brightest innovators based in the North of Israel.

Tulip Winery

- Tour one of Israel's most beautiful and innovative wineries and learn about why they will be implementing the latest agri-voltaic technology before enjoying their wine tasting and sumptuous dinner.
